MEMORANDUM FOR THE EXECUTIVE DIRECTOR, CENTRAL INTELLIGENCE AGENCY

SUBJECT: Expression of Appreciation

1. I am taking this opportunity to express my appreciation to CIA for the very excellent service it rendered the Intelligence Community by sponsoring and hosting the Space Symposium on 3-4 June 1982. The many provocative presentations and discussions should provide considerable food for thought as we attempt to discern how the Soviets will use that environment for political/military advantage.
2. Please extend my compliments to those of your staff who were involved with the requisite planning and mechanics. Specifically, I wish to commend [redacted] for the symposium's concept and overall guidance and to [redacted] for its flawless implementation. In so doing, they exhibited exemplary professionalism which does credit, not only to the CIA, but to the Community at large.
3. Again, my sincere thanks for a job imaginatively conceived and meticulously done.
